Hon'ble Supreme Court Judgment For Holding NEET:

The issue of conducting of National Eligibility cum Entrance Examination Test (NEET) for admission to undergraduate and post graduate medical Courses came up for consideration before the Hon'ble SCI in the case titled Christian Medical College Vellore & ors. Versus Union of India & ors. in Civil Appeal No. T.C. (C) No. 98 of 2012. The case was decided by the Hon'ble SCI vide its judgment dated 18-07-2013 wherein the two Learned Judges had recorded contrary views. The issue again comes up before the Hon'ble Supreme Court in Writ Petition No.261 of 2016 titled Sankalp Charitable Trust & anr. V/s Union of India & ors. Where in following prayers were made:-

- “a) issue a writ of mandamus or any other writ, order or direction in nature of mandamus directing respondents to conduct National Eligibility-cum-Entrance Test (NEET) for admission to MBBS Course throughout the country for academic session 2016-17;
- b) issue or pass any writ, direction or order, which this Hon'ble Court may deem fit and proper under facts and circumstances of the case”.

Further, the Hon'ble SCI, vide its Order dated 28-04-2016 decided that NEET be held by respondent as per schedule and court did not pass any further order. However, the SCI did not agree with the submissions made that in view of judgment passed in case titled Christian Medical College Vellore & Ors. Versus Union of India and ors.in Civil Appeal No. T.C. (C) No. 98 of 2012, it would not be proper to hold the NEET, as the Hon'ble SCI observed that the said judgment already stood recalled on 11-04-2016 and, as such, Notification dated 21st of December, 2010 is in operation as on date.

Subsequently, an Ordinance namely Indian Medical Council (Amendment) Ordinance was issued on 24th May, 2016 to carry out the amendment in MCI Act vide which Section 10D was, inter alia, inserted which is re-produced as under: -

“10.D. There shall be conducted a Uniform Entrance Examination to All Medical Educational Institutions at under graduate level and post-graduate level through such designated authority in Hindi, English

and such other languages and in such manner as may be prescribed by designated authority shall ensure conduct of Uniform Entrance Examination in aforesaid manner;

Provided that notwithstanding any judgment or order of any court, provisions of this section shall not apply in relation to Uniform Entrance Examination at undergraduate level for academic year 2016-17 conducted in accordance with any regulations made under this Act in respect of UT Government seats (wherein Government Medical College or in a Private Medical College) where such UT has not opted for such examination”

Further, MCI vide Notification No. MCI-34(41)2017-Med./121318 has substituted clause 5A(3) as under:-

“The counselling for admission to MBBS course in a State/Union Territory, including, Medical Educational Institutions established by the UT Government, University established by an Act of Union Territory Legislature, Trust, Society, Minority Institutions, Municipal Bodies or a Company shall be conducted by the State/Union Territory Government.”

In view of above, for the session 2017, National Eligibility cum Entrance Test (NEET) was to be conducted in respect of UG/PG courses. The examination in respect of the UG Courses was conducted by CBSE. However, the GOI has now established “National Testing Agency” (NTA) as an independent, Autonomous and Self sustained premier organization to conduct Entrance Examination/Fellowship in higher educational institutions and the Department of Higher Education, M/O, HRD, GOI vide their letter No. F.No.19-5/2014-TS-1 dated 6 July 2018 has mandated the NTA to conduct the NEET (UG) 2021.

Note:-

The physical round of counseling may either be conducted on a single day or on different dates/days as may be notified by the Board. Such seats as may remain unfilled at the conclusion of first day of counseling may be carried to the next day/date of counseling as may be decided by the Board. However, the candidates who did not participate in the counseling process on a particular date/day notwithstanding his/her higher merit shall, subject to the above conditions, be eligible to compete for the seats as are carried forward to the next day/date of counseling.

Such candidates shall have no claim on a seat which was allotted to a candidate during the previous day/date of counselling on the basis of his/her merit,

preference and availability of seat at the time of counseling. In other words the candidates cannot stake a claim on a seat which has been allotted to another candidate on the grounds that the candidate could not participate in the physical round of counseling earlier when the seat was available. Such a process, if allowed, would mean re-opening of admission/allotment process and thereby result in non- completion of admissions within the stipulated/prescribed time limit by the MCI/other regulating authority and against the directions of the Hon'ble Supreme Court of India in various cases.

General information:

Note:1

Every effort will be made to ensure that the candidate with higher merit gets seat of his/ her preference if available. However, this is possible only when every notified candidate reports in time and follows instructions in letter and spirit, as otherwise due to late reporting he/she could be deprived of seat of his/her preference due to its allotment to the next candidate in merit, failing which the candidate who reports on time but is with lower merit may be allotted seat/college which could have otherwise been allotted to a candidate with higher merit but for his failure to report in time on counseling date/time and for which BOPEE will not be responsible in any way whatsoever may be the reasons of candidates

Note-2:

The candidates who do not participate in the process of counseling by not filling up of the fresh preference forms and **not being physically only in the process and no proxy is permitted by the Board to represent the genuine candidate present during the physical round of counseling shall in no case be considered for allotment of seat and they shall have no claim**, whatsoever, on any seat filled up by the Board from amongst the candidates who participate in the process;

Note-3:

During the physical round of counseling, the candidate shall be required to be present physically in the process and no proxy is permitted by the Board to represent the genuine candidate unless under exceptional/extra ordinary circumstances like ill health for which the candidate shall have to authorize a representative only viz father, mother, brother or sister with his/her ID proof, who shall be allowed to represent the candidate on production of medical certificate only duly certified by the competent authority. However, the participation of such representatives shall be at the risk and responsibility of the candidate himself/herself and Board shall not be responsible for any decision taken by such a representative on behalf of the candidate. The authority shall be accepted only on prescribed Proforma by the Board. The procedure for allotment of seats shall, however, remain the same;

Note-4:

It is quite possible that a candidate may not find seat of his/her choice available at the time of his /her turn in second/or third round of (physical) counseling, as the case may be but a seat may become vacant subsequently. It is, therefore, in the interest of the candidate(s) to remain

available outside counseling room on day to day basis and keep watching Monitor displaying seat matrix constantly being updated. As and when a seat of the choice of such a candidate becomes available on day to day basis, he/ she should immediately report in the counseling hall and stake a claim on same day. The interested candidates are also advised to surf website of the BOPEE every evening or next day in the morning (during counseling days) where updated seat matrix is displayed. This holds good for already counseled students who may find seat/college of their choice available and may get that because of their higher merit for which they shall have to report early in the next morning at 10.00 am so that such candidates can be considered in order of merit before the counseling starts for fresh candidates.

Note-5:

Any category seat(s) remained unfilled for want of candidates belonging to relevant category shall be filled up from amongst the candidates belonging to OM category in terms of Proviso to Section 9 of JK Reservation Act.

Note-6:

The decision of the BOPEE concerning allotment of Courses/ institutions shall be final. Choices of courses / institutions once exercised by the candidates shall not be allowed to be changed or altered subsequently;

THIRD ROUND OF COUNSELLING:

The Board may, if it decides to do so conduct 3rd round of online counselling/physical round of counseling in the same manner as prescribed for 2nd round of counselling provided that:-

Unless permitted by the Board as a general exception, the candidates who did not join the college on allotment of a seat after first round of counselling or on upgradation of seat/allotment of seat during second round shall not be eligible to participate in the third round of counseling. Those candidates, who were **upgraded during 2nd round and joined the institute, shall also not be eligible to participate in the third round of counselling.**

CONVERSION OF CATEGORY SEATS, IF ANY:

In case, any category seat remains vacant even after the upgradation/allotment round(s) as above, the same shall be de-reserved and filled up from the OM candidates through physical counseling in terms of section-9 of chapter iv of J&K Reservation Act No. XIV of 2004. The revised seat matrix shall be notified accordingly and candidates willing and eligible to participate in the counseling shall be required to fill preference forms against the seats notified. The process shall, however, be the same as indicated hereinabove. However, after conversion of Reserved category seat(s) into OM category seat(s), any seat(s) left by the Reserved Category candidate(s) shall be treated as OM category seat(s) and shall be allotted to the candidate(s) purely on the basis of merit cum preferences and offered during the subsequent round of Final/Special Round of Counselling.

The seats in the "OM" which have remained vacant on conclusion of the earlier rounds shall also form part of the seat matrix and filled up during the process.

The seats becoming available due to upgradation of candidates, if any, against said seats shall be added to the seat matrix on the same day and filled up during the same process of counselling.

During this round of counseling candidates (those in the Provisional Merit List) including those who did not join after the first/Second/Third round of allotment of seats shall also be eligible to participate if Board decides so. Those who were upgraded during 2nd/3rd round etc. shall, however, not be eligible notwithstanding that they have joined the college. Further, the seat shall be allotted only on the basis of merit cum preference. The candidates, who do not join the college/institution after upgradation of seat during the upgradation round (2nd round or 3rd round) as the case may be shall, however, not be eligible to participate in this round of counseling.

B) FINAL ROUND BY PERSONAL COUNSELLING (MOP UP ROUND): If otherwise required, the Competent Authority will issue Notification for final round by Personal Counseling on its website www.jkbopee.gov.in indicating schedule of selection process for final round for allotment of seats remaining vacant after completion of earlier round(s) of allotment of seats by way of Preference Forms. This final round of allotment of seats shall be conducted by way of personal counseling and not on the basis of online Preference Forms to ensure that all vacant seats are filled up before the cutoff date or last date as prescribed by the MCI/DCI as the case may be and there will be instant seat allocation. All the candidates who have qualified the UG NEET-2023 as per the cut-off score fixed by the Board but could not be allocated seats in earlier rounds and have submitted the documents in BOPEE office in time will be eligible to appear in the final round of counseling and for those who had not submitted documents at all shall, in no case, be considered, notwithstanding their merit position. On account of allotment of seats in this final round of admission, no fresh vacancies consequent upon allotments made in this round will be created. This is principally because this final round of allotment is meant to fill up (as far as possible all) available vacant seats without creating a new or fresh vacant seat on account of such allotment. During this round also, eligible candidates will appear personally (Proxy will not be permitted) as mentioned under note para 2 above seeking allotment of seats of their choice. Personal counseling for such allotment will be held strictly in order of provisional Merit List amongst the available candidates. Each candidate will be offered all seats that have remained vacant and are available for allotment as per merit/ preference only at time of his/her turn of counseling i.e. UT Merit Position. The available seats shall be offered to the next candidate in merit. Before personal counseling round all available vacant seats (due to non- allotment / non-joining/resignation etc.) will be notified on website. Eligible candidates interested to participate in this round should carefully go through vacant seats as notified on website and decide whether to participate in the Final Personal

Counseling round. Such candidates, in their own interest are advised however, to be available in the BOPEE office during the mop up round to stake a claim on the available seats. For the purpose of this Personal Counselling round, following seats shall be considered as available for admission which will be displayed on website before commencement of Personal Counseling round :-

a) All seats that have remained vacant, if any, at the end of previous admission round(s) on account of non-allotment;

b) All seats that were allotted in previous round(s) but were rendered vacant on account of candidate to whom such seats were allotted but did not join or resigned;

c) All such seats that may become additionally available on any account whatsoever, including but not limited to, seats if any additionally recognized by competent authority made additionally available on account of any Order that may be passed by Courts etc.

All candidates to whom seats will be allotted invaccordance with choice and availability at his/her merit position at the time of personal counseling, will be required to join concerned college and complete all necessary formalities (by submitting all original documents and paying prescribe fees) for taking admission accordingly within prescribed time. Allotment of seat once made in this personal counseling round shall not be changed.

At the time of this personal counseling round, candidates must consider available seats thoroughly and opt for a seat which they must join once allotted. It is made hereby clear that in case such a candidate does not join concerned College and/or fails to comply with necessary formalities, his/her admission shall be cancelled.

Note-: Board reserves the right to allow such candidates also to participate in the last round of counseling/mopping-up rounds, who were earlier not allowed to participate due to non-joining etc., in case the number of unfilled seats is large and it is found expedient to allow such candidates to participate in the counselling for purposes of filling-up of the seats.

Board reserves the right to relax any condition other than conditions of eligibility, if it is of the opinion that such a relaxation is in the general interest of the candidates & relaxation will avoid causing hardships, if any, to the candidates. Such a relaxation, if accorded, shall, however, be general & not on case to case basis.
