The Jammu and Kashmir Board of Professional Entrance Examinations (BOPEE), a creation under Jammu and Kashmir Board of Professional Entrance Examinations Act, 2002 has been mandated with the conduct of various entrance examinations for admission in different professional courses in the State. Board being an autonomous body, is required to discharge its duties in a transparent manner by promoting the cause of meritocracy in the conduct of examinations.

While as, it shall be our endeavor to maintain the highest standards and transparency in functioning of the Board, it would be advisable for candidates to upgrade their knowledge so that best amongst them get selected for the Professional courses. The Board has already introduced technological changes in the system and latest being inviting of applications on-line and endeavours to modernize and upgrading its functioning would continue. Subject to the logistical support, the Board aims at conducting on-line examinations at some point of time in future

The Board keeps its website www.jkbopee.gov.in updated to transmit information to the stake holders at a faster speed. Since the changes, innovations, improvements and upgradation are a continuous and an ongoing process, therefore, it has been decided to open a suggestion box in the on-line website of the Board so that any suggestions for improvement in the system by the stake holders, are considered and examined by the Board. The things cannot remain stagnant as these have to change or else perish, therefore, the suggestions given by the stake holders for bringing innovations and improvements in the system would be of paramount importance and valuable for us.

Conducting tests for selection for B.Ed. Kashmir for the year 2020 is part of the series scheduled for the year. The test aims at assessing ability of the candidates to get admission for the B.Ed. Courses which in turn enhances the prospects of their employment in the education sector, for selection as teachers. Objective of imparting quality education in the schools can only be achieved if the teachers/aspiring teachers are provided with better training facilities and are equipped with all modern techniques of teaching. This Course, therefore, is of greater significance as it, towards the end, facilitates selection of good teachers, thereby imparting quality education. The teaching skills acquired during the training course apart from improving the standards of education would also be beneficial to class of students who need more focused attention to improve the skills of communication and understanding in the fields they may be lagging behind as it is found that there is a class of students who need better attention to explore and exploit their skills. A thorough study and devoting considerable time towards preparation for the test would make it more competitive, thereby enhancing the quality of the selection/end product.

I wish all the best of luck.

MESSAGE

The J&K BOPEE is entrusted with the responsibility of conducting the Entrance Test for various Professional Courses for the year 2020. The Entrance Test for B. Ed. Kashmir/B. Ed. (Special Education) 2020 will be held on 12-04-2020 and the process of filling online application forms for the said test will commence from 06-03-2020.

The Board has been striving constantly to enhance transparency and objectivity in conducting entrance tests and has introduced many measures to facilitate candidates from filling up the Application Forms to the stage of actual selection by switching over to the online mode which includes filling up of Application Forms, deposition of fee, declaration of result etc. In order to bring transparency and efficiency in the system of selection of candidates, BOPEE has undergone technological revolution for the speedy justice to the candidates on merit and has taken steps in this direction like, Online submission of application forms, Online counseling, SMS facility for application/counseling status, Speedy Result, Video Counselling, Regular Uploading of Website www.jkbopee.gov.in for latest information, etc. The candidates are advised to go through Information Brochure of B. Ed. Kashmir/B.Ed. (Special Education)-2020 for all details related to online filling of application forms, counselling process, reservation policy, no. of seats available, etc., which is uploaded on the BOPEE website.

The greatest resource and strength in Indian schools are our teachers. They have the greatest impact on student learning, far outweighing the impact of any other education programme or policy. They stand in the interface of the transmission of knowledge, skills and values. Teacher quality is, therefore, crucial and has been globally accepted to be significantly associated with the quality of education in general and students' learning outcomes in particular. The Education Commission (1964-66) of India accepted this influence of teachers in powerful words, **“No system can rise above the status of its teacher”**. I offer my good wishes to the students for choosing Teaching (B.Ed.) as career in their life, which is considered as the noblest of all Professions and I wish you success in your Educational Professional Career.
